

Egling Middle School Weekly Bulletin

May 20-May 24

“At Egling Middle School our mission is to provide a safe, positive learning environment, in which students persevere and become responsible, critical thinking, life-long learners, who can work collaboratively as well as independently.”

Message from the Principal

Egling Families,

I am pleased to announce that we have successfully completed our state testing period, and I want to commend our students for their diligence and determination. Your hard work and focus throughout this time are truly commendable. I also want to extend my gratitude to our dedicated teachers and staff who have provided unwavering support and guidance, ensuring that our students were well-prepared and confident. To our families, thank you for your encouragement and partnership in helping your children succeed. This achievement is a collective effort, and I am proud of what we have accomplished together. As we move forward, let's celebrate this milestone and continue to strive for excellence in all our endeavors.

Have a wonderful weekend ahead!

Erika Lemenager, Principal
