Message from the Principal

Egling Families,

I wanted to take a minute this week and remind you about a nice tool that we have with Aeries. I know as a parent, sometimes life get busy and I forget to check in on my own child's grades...our school has an option where Aeries will send you a weekly progress report email. You can choose the day of the week you wish to receive the email.

1. Log into your Aeries Parent Portal on a computer, the option does not show on the app.
2. Under notifications it asks if parent would like weekly email
3. Click the link and pick day and time options.

The weekly report includes: Current grades, link to teachers' emails, upcoming assignments and recently adjusted/updated scores.

I hope you have a wonderful weekend!

Erika Lemenager, Principal
