

Egling Middle School

Weekly Bulletin

May 13-May 17

“At Egling Middle School our mission is to provide a safe, positive learning environment, in which students persevere and become responsible, critical thinking, life-long learners, who can work collaboratively as well as independently.”

Message from the Principal

Egling Families,

As we wind down the school year, please start looking under beds, in closets, behind dressers for lost school items. Families will be charged for items that are missing or damaged. Secondly, students in grades 4-7 will be keeping their Chromebook over the summer. If you are uncomfortable with this, please reach out to me and I will happily store it for you here at school. Students have ALL been given a case for their Chromebook, I would heavily suggest that they be using it to protect their device. Many students are damaging their devices due to lack of general care and families are being charged.

If you have any questions, as always, please reach out.

Happy Mother's Day Weekend

Erika Lemenager, Principal
