“At Egling Middle School our mission is to provide a safe, positive learning environment, in which students persevere and become responsible, critical thinking, life-long learners, who can work collaboratively as well as independently.”

## Message from the Principal

Egling Families,

We had a fun Thursday, 7<sup>th</sup> graders took a field trip to Butte College, 4/5<sup>th</sup> graders had an assembly, and 6-8<sup>th</sup> grade had a rally. We are all looking forward to a 3-day weekend!!! Please remember you must come into the office when needing to check your student out of school early for the day. We need you to physically come into the office, provide an ID (if not on file already) and check them out, we CANNOT just send them to your car or send them walking. This process is all in an effort to keep our kids safe. I know it may take a few extra minutes of time. If your student is checking back in, please remind them to stop at the office, we need to know they are back on campus. We appreciate everyone's efforts in making this happen.

I hope you all enjoy an extended weekend and get many projects completed!

Thanks,

Erika Lemenager, Principal
