“At Egling Middle School our mission is to provide a safe, positive learning environment, in which students persevere and become responsible, critical thinking, life-long learners, who can work collaboratively as well as independently.”

Message from the Principal

Egling Families,

Picture Day is on Wednesday, and forms have been sent home. If you want to ensure your students photo is in the yearbook this is your chance! We will have a makeup/retake day in November if you are absent. We had a short fun assembly Friday introducing the girls volleyball team to the rest of campus, the girls are doing a great job this season.

Have a great weekend,

Erika Lemenager, Principal
