

## Egling Middle School

### Weekly Bulletin

November 14– November 18

“At Egling Middle School our mission is to provide a safe, positive learning environment, in which students persevere and become responsible, critical thinking, life-long learners, who can work collaboratively as well as independently.”

#### Message from the Principal

Hello Egling Families,

Its getting to be that time of year when students come down with colds and flus. As a reminder we cannot distribute any type of medication and students cannot carry medication with them (even cough drops) without proper documentation. If your student is in need of medication throughout the day, please have someone listed on their emergency card come and administer the medication. If students register a fever or look really ill we will call you to come pick them up. Remember to wash your hands and cover your cough!

Thanks and stay healthy,

Erika Lemenager
